

Conestoga Valley

SCHOOL DISTRICT

Dr. David M. Zuilkoski, *Superintendent of Schools*

August 2021

Dear CV Parents,

If your child is eligible for the National School Lunch Program, your family may qualify for Internet Essentials from Comcast.

Internet Essentials customers receive Internet service from Comcast for \$9.95/month plus tax, no activation or equipment fees, a free Wi-Fi router, the option to purchase a computer for just \$149.99 plus tax and access to free digital literacy training.

While I encourage your consideration, Internet Essentials is *not* a Conestoga Valley program, and is not required by your child's school. CVSD is not responsible for your Internet Essentials accounts. To protect your privacy, CV does not share free or reduced-price enrollment status with any outside parties. When signing up for Internet Essentials, it will be your responsibility to provide necessary documentation as proof of your participation in the National School Lunch Program. CV may not be able to provide additional copies of NSLP documents.

For more information, you can call 1-855-8-INTERNET (1-855-846-8376) or visit www.InternetEssentials.com.

Sincerely,

Dave Zuilkoski, EdD
Superintendent of Schools
