

Welcome to Kindergarten!

We hope you are excited about coming to kindergarten. This year you will learn about letters, numbers and so much more. You will make and play with new friends, too. We are looking forward to meeting you soon!

I like to hike, bike and play games. My husband and I have 2 young adult sons. I LOVE watching the Phillies!

Mrs. Fellenbaum

I like to go swimming and make crafts. My husband and I have a son Stefano and a daughter Kiki who both attend college. I enjoy learning new things!

Mrs. Billis

Some things I enjoy are playing soccer, hiking, and going to amusement parks. My husband and I met at Conestoga Valley.

Mrs. Midgley

Kindergarteners need to bring the following supplies to school.
Please remember to put your child's name on everything.
Thank you!

- Headphones:** Please no earbuds. They can often be found at 5 Below or Target.
- Backpack:** One that is large enough to hold a school-issued folder and library book. It should also have an *outside* pocket for a water bottle.
- Water Bottle:** Re-usable and leak-proof
- Art Shirt:** An oversized t-shirt or smock
- 3 large glue sticks:** One is never enough!
- At least 1 container of wipes:** Antibacterial ones such as Clorox or Lysol to be used by adults.

**If purchasing these items is difficult, please contact our school counselor to receive donated school supplies from the community. Her email is ashley_gilgore@conestogavalley.org*
