All children who live in Conestoga Valley School District are invited to enroll in kindergarten classes if they will be five (5) years old on or before September 1, 2022.

Parents/guardians will be guided through the online registration process. Visit www.conestogavalley.org/kindergartenregistration where you will need to enter the following information to begin the registration process:

- ✓ Email Address
- ✓ Information on student (e.g. name, address, DOB)
- ✓ Household members
- ✓ Homeowner/Leaseholder
- ✓ Student Contacts

3. ATTEND REGISTRATION CONFIRMATION APPOINTMENT

Each family will need to attend the Registration Confirmation Night at their home school. After you register online, you will be contacted with the name of your child's home building for kindergarten. Parents should schedule a registration confirmation appointment using the QR code below.

4. KINDERGARTEN REGISTRATION SCREENING

At your Registration Confirmation Night in March, you will work with one of the district's school counselors to schedule a Kindergarten Readiness Screening appointment for your child.

This hour-long appointment, which will be held in the spring, is a great way to familiarize your child with his or her new school and gives the school an opportunity to meet your child.
