CV Middle School Community –

This morning, Monday, October 3, staff at Gerald G. Huesken Middle School was alerted about an email referencing a bomb threat at the middle school. The email was immediately addressed by staff and administration. Additionally, the District’s School Resource Officer was involved. Collectively, it was determined to be a non-viable threat.

Student and staff safety continues to be our top priority and we take each potential threat to that safety very seriously. **With the incident this morning, there was and is no threat to our middle school students, staff, or teachers.** Further updates will be provided only if necessary.

Sincerely,

Dave Zuilkoski Ed.D.
