Nov. 18, 2022

CV Parents –

Last night, Thursday, November 17, we received a specific threat targeting the middle school. East Lampeter Township Police was notified and are investigating. In an abundance of caution, we made the decision to cancel classes at the middle school for today only, Friday, November 18. No other buildings were mentioned, as this was a middle school incident only. We will provide more information as it becomes available, as permitted.

A thank you goes out to all administration, faculty and staff as they constantly work to maintain the safety and security of all of our students every day.

Sincerely,

Dave Zuilkoski, EdD
Superintendent
