Wizards School July 18–22

Which house will win the Lindy Cup?

Over the course of the week students will learn about wands, potions, mythical creatures, and more. They will participate in clubs, compete in the Wizarding Games, and complete house activities to win points for their house in the race for the Lindy Cup.

Who will take home the prize?

Time Travel Adventure July 25–29

Help! Our time machine has gone awry!

As campers are transported back in time to different historical locations they must use their observational skills to study the culture and people of the time period. The clues they collect will help them in solving puzzles and fixing the time machine.

Will it work or will campers be stuck in the past?

Day and overnight options available!
