After School Bowling Program

Dear Parents,

Welcome to the NEW After School Bowling Program at Dutch Lanes. We are excited to be starting this program up again for the 2023-2024 school year. This is a great incentive program where all students participate. No One Rides the Bench! It also allows students to start learning about the sport of bowling well before they get to the High School level.

We will now be having 2 sessions of bowling, September to December and then January to May. The registration fee is \$15.00 each session. The weekly bowling fee is only \$12.00. We will send out sign ups for each session through the schools. At the end of each session, the children will receive a Pizza Party and an Award.

Dutch Lanes owned bowling bus will pick the students up at the school and transport them to the bowling center. A representative from the bowling center will be at each school to check in each bowling student and board them on the bus.

When the students arrive at the bowling center they will get their shoes and report to their lanes to bowl. When the bowling is complete the students will be dismissed to the NEW arcade with their personal arcade card (\$2.00 value) to end their weekly program.

We will offer SPECIAL PRICED COMBO'S for the students involved in bus club only.

Hotdog & Sm. Drink...\$3.50

Soft Pretzel & Sm. Drink...\$3.50
