- **Any ala carte purchase will need sufficient funds in their Meals Plus account or cash will be accepted**
- **Ala carte purchase may be any snack item or an extra entrée, milk etc.**

Point of Sale System –The Conestoga Valley School District food service has implemented a computerized debit system for the CV School District called **MEALS PLUS**. All students must use their **7 Digit Student ID** Number to purchase food items in the Cafeteria.

The **major advantage of this system is the ability to prepay. Any amount can be deposited into the student's account in advance at any time during the school year.** As purchases are made, the computerized system will keep track of your child's remaining fund balance. Students will **NOT** be able to withdraw cash from their account. Parents are encouraged to go online to **www.**

K12paymentcenter.com and create an account to view their student's account balances, purchases, and fees. A low balance notification may also be added. Due to new regulations, no information may be directed to the student. When placing funds on the 12PaymentCenter it may take 24 to 48 hours before the transaction is completed. Here is a website that may assist in setting up a k12payment center account – k12 payment center frequently asked questions- (<https://www.k12paymentcentercom/Help.aspx>).

By making a prepayment you will no longer need to supply your child with cash each morning and you can be sure that the money in their account will be used to purchase food. All students are encouraged to make prepayments for meals and/or a la carte items. We have found that transactions for students who deposit funds into their accounts allow them to move through the lunch line more quickly. However, if you prefer that your child pay for their purchases in the cafeteria daily, a check or cash will still be accepted. Preprinted cafeteria deposit envelopes will be available for making a **check, payable to the Conestoga Valley School District** or cash payment. Please complete and take envelope with payment to the Middle School cafeteria manager. Thereafter students can pick up and place their check or cash in the preprinted envelopes provided at each MS cash register. All deposits must be received by **9:00am** to be entered into the student's account for the same day lunch period.

If your child withdraws from the CV area school district, any balance left in the account must have a parent or guardians written request in order to withdraw the total from their student's account, or it may be forwarded to a CV siblings account. Please complete a **Request for Refund Fund** found on the CV

Food Service website, or request a copy form the cafeteria manager and submit to the Food Service Office. After receiving and approving your request, a check will be mailed at the end of the requested month.

Middle School Student Lunch Charge Policy

Effective August 24, 2022 a student who request a school program meal will be provided a meal regardless of whether the student has money to pay for the meal (on hand or in meal account), unless the student's parent/guardian has provided specific written directive to the school to withhold a meal. Direct communication regarding money owed will be made to the parent or guardian only. When a student has selected a meal and if they do not have positive funds or cash to purchase, the student will be permitted to have the meal. The meal will then be charged to their Cafeteria Meals Plus account. All components of breakfast or lunch must be selected or, the cashier must charge ala carte prices for the food items. **Parents can establish limits or prohibit the charging of food items when in deficit in writing or online at www.k12paymentcenter.com.** When those limits are in place, food can be removed from the child at the register. No student will be allowed to charge ala carte items.

Negative Account Balance Procedures

When a student owes money for five (5) or more school food program meals, the District shall make at least two (2) attempts to contact the student's parent/guardian and shall provide the application website, <https://www.schoolcafe.com/conestogavalley> for free/reduced-price school meal benefits under federal school programs. The district may offer help to parents/guardians with applying for free/reduced-price meal benefits. Monthly the Cafeteria Manager will notify parents with a Negative balance by various means, letter, email, text, or parent link call. When negative balances of \$25.00 or greater exist, a letter will be mailed to the parent/guardian. When negative balances of \$50.00 or greater exist, a letter will be mailed from the business office to the parent/guardian. Reasonable efforts shall be made by the district to collect unpaid meal charges and NSF checks from parent/guardian.

Collection of Outstanding Balances

If a student has a negative meal account balance at the close of the school year or following a transfer to another district, the meal account balance will be converted to a parent/guardian financial obligation. The financial obligation will remain the responsibility of the student's parents/guardians until it is paid in full in compliance with Board Policy 808.

Requesting an Account Refund or Balance Transfer

Positive balances for underclassman will be automatically carried over to the next school year. Refunds from student meal accounts are granted when a student graduates, leaves the District, or a special circumstance necessitates the refund. Upon withdrawing from the District, a student must bring their account to a zero balance. For students with a balance of more than \$5.00 in his/her meal account, parents/guardians are asked to complete, sign, and submit the **Request for Refund Form prior to June 6, 2023**. Please note, after June 30, unclaimed account balances and meal accounts with balances of \$4.00 or less will be anonymously donated to families in need of assistance with meal accounts.

Patents/Guardians are responsible for all charges on their student's accounts and are encouraged to frequently check the account balance to ensure adequate funds are available for their student (s) to purchase school breakfast, lunch, and ala carte items.

If you have any questions regarding your child's lunches, please call the cafeteria between 8:30 am to 10:30 am and ask to speak with the cafeteria manager.
