# Options for Students

---

## Advanced Placement

- Advanced Placement Program
- Offers high school students the opportunity to receive university credit for their work during high school.
- A student must pass the exam to earn the college credit. AP classes are taught by Conestoga Valley HS teachers at CVHS.

## College in the High School

- Opportunity to earn "dual credit" (high school and college credit for the same course).
- Taught at the high school by high school teachers and may be considered to be part of a degree or certificate program.
- Tuition costs vary among college/universities. Most schools offer a reduced tuition rate from free up to 70% off normal rate.
- Textbooks and fees are the student's responsibility.
