Conestoga Valley School District (the "School District") previously issued \$25,960,000 principal amount of General Obligation Bonds, Series of 2012, dated June 21, 2012 (the "2012 Bonds") for the purpose of providing funds for the advance refunding of the School District's General Obligation Bonds, Series of 2003 and for paying the costs and expenses of issuing the 2012 Bonds. \$2,300,000 principal amount of the 2012 Bonds is currently outstanding and matures on January 15, 2020.

The "School District previously issued \$3,605,000 principal amount of General Obligation Bonds, Series of 2014, dated February 3, 2014 (the "2014 Bonds") for the purpose of providing funds for the financing various capital projects of the School District and for paying the costs and expenses of issuing the 2014 Bonds. \$3,580,000 principal amount of the 2014 Bonds are currently outstanding and are subject to redemption at the option of the School District on April 1, 2019 or any date thereafter.

The Board of School Directors of the School District (the "School Board") deems it in the best interest of the School District to undertake the refunding or restructuring of all or a portion of the outstanding 2012 Bonds and the 2014 Bonds (the "Refunded Bonds") in accordance with the provisions of the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 1996 (53 Pa. Cons. Stat. Chs. 80-82) (the "Act"). The School District has determined

to restructure or refund the 2012 Bonds and the 2014 Bonds by issuance of its General Obligation Notes, Series of 2019 hereinafter authorized (the "Refunding Plan").

The School Board contemplates the authorization, sale, issuance and delivery of general obligation notes in one or more series, in the maximum aggregate principal amount of Fourteen Million Two Hundred and Fifty Thousand Dollars (\$14,250,000), to be originally designated the General Obligation Notes, Series of 2019, followed by such other series designation as may be determined upon issuance of any series of notes issued hereunder (the "Notes"), with the proceeds to be applied to the Refunding Plan and payment of related costs of issuance of the Notes, in accordance with applicable and appropriate provisions of the Act. The Notes may be issued in one or more series and each may be issued as a taxable series of Notes or tax-exempt series of Notes.

The School District has determined that a private sale of the Notes by negotiation is in the best interest of the School District. The School District has received from RBC Capital Markets LLC a proposal (the "Proposal") for the purchase of the Notes containing certain financial parameters for, and conditions to the issuance of the Notes (the "Notes Parameters"). The Proposal will be supplemented by an addendum to the Proposal containing the final terms and conditions of the Notes, consistent with the Notes Parameters.

The School Board desires to accept the Proposal, to award the sale of the Notes, to authorize issuance of nonelectoral debt, to take appropriate action and to authorize proper things in connection with the Plan, in accordance with, and pursuant to, provisions of the Act.

NOW, THEREFORE, BE IT RESOLVED by the Board of School Directors of Conestoga Valley School District, Lancaster County, Pennsylvania, as follows:

Section 1. The School Board authorizes and directs the incurrence of indebtedness and the issuance of the Notes in one or more taxable or tax-exempt series in the maximum aggregate principal amount of \$14,250,000 pursuant to this Resolution and in accordance with the Act for the purpose of providing funds for the Refunding Plan.

Section 2. The School Board determines and states that:

(a) the description of the Refunding Plan set forth in the recitals hereto is incorporated by reference;

(b) the purpose of the Refunding Plan is to permit the School District to restructure total debt service within limitations imposed by the Act and to substitute Notes for Bonds;

(c) proceeds of the Notes will be sufficient to pay debt service on and redeem the Refunded Bonds, and to pay the costs and expenses of the redemption and the issuance of the Notes; and

(d) schedules provided to the School District by its financial advisor include the calculations and figures supporting these determinations.

Section 3. The School Board determines and states that the estimated remaining useful life of capital projects funded by the 2003 Bonds which were refunded by the 2012 Bonds is at least 14

years. The School Board determines and states that the estimated remaining useful life of capital projects funded by the 2014 Bonds is at least 20 years.

Section 4. In order to evidence the indebtedness authorized by this Resolution, the School District will issue, pursuant to the Act and this Resolution, \$14,250,000 maximum aggregate principal amount of General Obligation Notes, Series of 2019.

Section 7. The Notes are awarded and sold at private sale by negotiation to RBC Capital Markets LLC, Lancaster, Pennsylvania (the "Purchaser"), with the maximum principal amounts for each maturity of the Notes set forth in **Exhibit "A"**, attached hereto and made a part hereof, at the price and in accordance with the other terms and conditions contained in the Proposal presented to this meeting, provided however, that the purchase price shall not be less than 95% nor more than 125% of the aggregate amount of the Notes, plus accrued interest if any, from the date thereof to the date of delivery. A copy of the Proposal, which is accepted, is attached to this Resolution as **Exhibit "B"** and will be lodged with the official minutes of this meeting. The terms and conditions of the Proposal are incorporated herein by reference. Officers of the School Board are authorized and directed to endorse the acceptance of the School District on the Proposal and to deliver an executed copy thereof to the Purchaser.

The Chief Financial and Operations Officer of the School District is hereby authorized to approve the final terms and conditions to be presented by the Purchaser, within the Notes Parameters. Upon such approval, one or more addenda to the Proposal (the "Addendum") containing the final terms of the Notes shall be executed and delivered by the Chief Financial and Operations Officer of the School District and included as part of the Proposal accepted by this Resolution. Each Addendum shall be incorporated into the Proposal.

In addition to the conditions set forth in the purchase proposals referenced above, such awards and sales are conditional upon the following:

- (a) all provisions of this Resolution becoming effective;
- (b) approval of the Department of Community and Economic Development of the Commonwealth of Pennsylvania for the issuance of the Notes;
- (c) approval of the Pennsylvania Department of Education, to the extent such approval is determined to be necessary by the School District; and
- (d) approval of any other governmental agency, the approval of which is determined to be necessary by the School District.

Section 8. The President (or a Vice President), Treasurer (or Assistant Treasurer), and Secretary (or Assistant Secretary), of the School Board, and the Chief Financial and Operations Officer

of the School District, or any one of such officers alone, are authorized and directed to prepare, verify and file the Debt Statement required by Section 8110 of the Act, to execute and deliver the Notes in the name of the School District, and to take other necessary or appropriate action, including if necessary or desirable, any statements required to qualify any portion of the debt from the appropriate debt limit as self-liquidating or subsidized debt and to take other necessary or appropriate action, including if necessary or desirable, any statements required to qualify any portion of the debt from the appropriate debt limit as self-liquidating or subsidized debt, or to designate all or any portion of the Notes as "qualified tax-exempt obligations" under Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the "Code"). The President (or a Vice President), Treasurer (or Assistant Treasurer), and Secretary (or Assistant Secretary), of the School Board, and the Chief Financial and Operations Officer of the School District, or any one of such officers alone, are authorized and directed to prepare, verify and file PLANCON documents appropriate to this transaction.

Section 9. The Notes, when issued, will be General Obligation Notes and will constitute general obligations of the School District.

Section 10. The School District covenants with the registered owners of the Notes outstanding pursuant to this Resolution that:

(a) the School District will include in its budget, for each fiscal year in which such sums are payable, the amounts of debt service on the Notes issued hereunder which will be payable in each such fiscal year so long as any of the Notes remain outstanding;

(b) the School District will appropriate such amounts to the payment of such debt service; and

(c) the School District will duly and punctually pay or cause to be paid, from the sinking funds hereinafter established, or from other funds, the principal of every bond and the interest thereon at the dates and places and in the manner stated in the Notes according to the true intent and meaning thereof.

For such budgeting, appropriation and payment, the School District pledges its full faith, credit and taxing power. The covenant contained in this section is specifically enforceable.

Section 11. The Notes will be numbered consecutively, as issued, without regard to denomination or maturity. Each of the Notes will bear interest at a rate or rates not to exceed 5.00% per annum, and will mature, or be payable upon mandatory redemption prior to stated maturity, in the maximum annual amounts by fiscal year, as set forth in **Exhibit "A."**

Section 12. The Notes will be issued in fully registered book-entry only form, substantially in the form set forth in **Exhibit "C"** for any tax-exempt series of notes and as set forth in **Exhibit "D"** for any taxable series of notes with appropriate omissions, insertions and variations.

The principal of and interest on the Notes will be payable in lawful money of the United States of America at the corporate trust office of Manufacturers and Traders Trust Company, in Harrisburg, Pennsylvania, and Buffalo, New York which is appointed Paying Agent and Registrar for the Notes and Sinking Fund Depository and is herein called the "Paying Agent."

Section 13. The Notes may be subject to optional or mandatory redemption by the School District prior to maturity, on such date or dates and under such terms as may be determined in the manner described in Section 7 hereof, not in excess of any annual principal payment amount set forth in **Exhibit "A"** hereof.

The School District and the Paying Agent will not be required (a) to issue or transfer any of the Notes during a period beginning at the opening of business on the 15th day next preceding any date of selection of notes to be redeemed and ending at the close of business on the day on which the applicable notice of redemption is given, or (b) to transfer any notes have been selected or called for redemption in whole or in part.

Section 14. The Depository Trust Company, New York, New York ("DTC") will act as securities depository for the Notes on behalf of the firms which participate in the DTC book-entry system ("DTC Participants"). The ownership of one fully registered bond for each maturity of the Notes will be registered in the name of Cede & Co., as nominee for DTC. The Notes will be in the aggregate principal amount of such maturity as shown on **Exhibit "A"** attached hereto. The School District will cause the Notes to be delivered to DTC for the benefit of the purchaser of the Notes on or before the date of issuance of the Notes.

Pursuant to the book-entry only system, any person for whom a DTC Participant acquires an interest in the Notes (the "Beneficial Owner") will not receive certificated bonds and will not be the registered owner thereof. Ownership interest in the Notes may be purchased by or through DTC Participants. Each DTC Participant will receive a credit balance in the records of DTC in the amount of such DTC Participant's interest in the Notes, which will be confirmed in accordance with DTC's standard procedures. Receipt by the Beneficial Owners (through any DTC Participant) of timely payment of principal, redemption price, and interest on the Notes, is subject to DTC making such payment to DTC Participants and such DTC Participants making payment to Beneficial Owners. Neither the School District nor the Paying Agent will have any direct responsibility or obligation to such DTC Participants or the persons for whom they act as nominees for any failure of DTC to act or make any payment with respect to the Notes.

The School District is authorized to execute such documents as may be necessary or desirable in connection with DTC's services as securities depository. The School District may appoint a successor securities depository.

DTC may determine to discontinue providing its services with respect to the Notes at any time by giving notice to the School District and discharging its responsibilities with respect thereto under applicable law. Under such circumstances, the proper officers of the School District are authorized to designate a successor securities depository or to deliver certificates to the Beneficial Owners of the Notes.

The School District will give notice, or cause the Paying Agent to give notice, to DTC in accordance with the Blanket Letter of Representations for the redemption or other retirement of the Notes. The School District will provide the form of notice. Upon receipt of such notice, DTC will forward the notice to the DTC Participants for subsequent forwarding of such notice to the Beneficial Owners of the Notes. The School District will pay the customary charges for such mailing.

Section 15. The School District covenants that there will be and there is established a sinking fund for each series of Notes issued hereunder to be held by the Paying Agent (or such substitute or successor Paying Agent, which will hereafter be appointed in accordance with the provisions of the Act) in the name of the School District, but subject to withdrawal only by the Paying Agent.

The Paying Agent is authorized and directed to pay from the Sinking Fund the principal of and interest on the Notes as the same become due and payable in accordance with the terms thereof and the School District covenants that such monies, to the extent required, will be applied to such purpose.

All monies deposited in the Sinking Fund for the payment of the Notes which have not been claimed by the holders or owners thereof after two years from the date when payment is due, except where such monies are held for the payment of outstanding checks, drafts or other instruments of the Paying Agent, will be returned to the School District. Nothing contained herein will relieve the School District of its liability to the registered owners of unrepresented Notes.

Section 16. The School District will not assume the payment of any tax or taxes in consideration of the purchase of the Notes.

Section 17. The officers of the School District are authorized to enter into an Agreement with Manufacturers and Traders Trust Company, providing for the confirmation and acceptance of the appointments herein made as Paying Agent and Sinking Fund Depository for the Notes, for its compensation in such capacities, for the administration of the Sinking Fund and for such other matters as counsel may recommend be included in the Agreement and as the officers may approve by their execution of the Agreement. The officers of the School District are further authorized to contract with Manufacturers and Traders Trust Company or one or more other banks or bank and trust companies, to the extent deemed necessary or advisable, for additional services as trustee, fiscal agent, sinking fund depository or paying agent.

Notwithstanding the forgoing, if a privately place general obligation is issued with a commercial lender for any series of bonds issued hereunder, then such commercial lender shall act as Paying Agent, Registrar and Sinking Fund Depository in addition to its capacity as lender and purchaser of such privately placed general obligation, as long as such lender meets the requirements for paying agent under the Act.

Section 18. The Refunded Bonds will be called for redemption by the School District in accordance with the terms of the Addendum to the Proposal, at the applicable redemption price of 100% of principal amount thereof, together with accrued interest to the redemption date as determined by the Proposal and/or the Addendum thereto (the "Redemption Date"). From and after the Redemption Date, all interest on the Refunded Bonds will cease to accrue. This call is contingent only upon the issuance of the School District's Notes and upon receipt of the purchase price thereof from the Purchaser.

The Refunded Bonds called for redemption will become due and payable on the Redemption Date at Fulton Bank, National Association, Lancaster, Pennsylvania, Paying Agent for the Refunded Bonds, upon presentation and surrender of the Refunded Bonds.

The School District directs the Paying Agent for the Refunded Bonds to give notice of redemption of the Refunded Bonds as directed by the School District.

Section 19. If necessary or appropriate in the opinion of bond counsel, the School District covenants to enter into an escrow agreement with Fulton Bank, National Association, as Escrow Agent for the Refunded Bonds (the "Escrow Agent"), to be dated as of the date of closing on the Notes (the "Escrow Agreement") providing, among other things: for the deposit with the Escrow Agent of amounts which, together with earnings thereon, if any, will be sufficient to pay the principal of and interest on the Refunded Bonds to and including the Redemption Date; for the irrevocable pledge of all amounts held under the Escrow Agreement for the payment of principal and interest on and redemption of the Refunded Bonds; and for the payment of incidental costs of payment and redemption.

On the date of delivery of the Notes, the President and Secretary or other appropriate officers of the School District are authorized and directed to execute and deliver the Escrow Agreement in the form approved by such officers with the advice of Bond Counsel, to the Escrow Agent.

Section 20. The School District covenants with the holders of the Notes that no part of the proceeds of any issue of tax-exempt Notes issued hereunder will at any time be used directly or indirectly to acquire securities or obligations, the acquisition of which would cause any of the Notes to be "arbitrage bonds" as currently defined in Section 148 of the Code, or under any similar statutory provisions, or any currently enacted rule or regulation promulgated thereunder or under former Section 103(c) of the Internal Revenue Code of 1954, with the effect that interest on the Notes would no longer be exempt from federal income taxes. The School District further covenants, with respect to any tax-exempt series of Notes, that it will comply with the terms of Section 148 of the Code and said rules and regulations throughout the term of the Notes and will make no investment inconsistent with the foregoing covenant. The School District further covenants that it will promptly and timely comply with the reporting and filing requirements of Section 149(e) of the Code.

The School District covenants with the holders of any series of tax-exempt Notes that it will comply with the arbitrage rebate requirements of Section 148 of the Code, as such requirements may apply to earnings on the investment of the proceeds of the Notes. The School District covenants to maintain any proceeds of any series of tax-exempt Notes issued hereunder which may be invested (until such time as they are needed) in segregated investments which readily will permit a determination of earnings on the proceeds. To the extent that the amount earned on all nonpurpose investments (as defined in Section 148 of the Code) exceeds the amount which would have been earned if such nonpurpose investments were invested at a rate equal to the yield on the Notes, the School District will, unless otherwise exempt, pay to the United States the amount of rebate calculated in accordance with Section 148 and the regulations promulgated pursuant thereto.

Section 21. If applicable, as determined from the Proposal, the School District will purchase municipal bond insurance for the Notes in accordance with the terms of the Proposal. Proper officers or agents of the School District are authorized and directed to take all required, necessary and/or appropriate action with respect to such insurance as contemplated in the Proposal, including the payment of the premiums for such insurance.

Section 22. The Notes will be executed by the President or Vice President of the School Board of the School District and attested by the Secretary or Treasurer of the School District. The School District seal will be impressed upon the Notes. The Notes will be authenticated by the manual signature of the Paying Agent, which will also certify that the approving opinion of Bond Counsel, which will be affixed to each bond, is an accurate reproduction of the approving opinion delivered at the closing for the Notes.

Section 23. Upon receipt of the purchase price for the Notes, including interest thereon accrued to the date of delivery, if any, the proper officers of the School District will pay said amount to the Paying Agent and said amount will be deposited in a settlement account (the "Settlement Account"). From the Settlement Account, the Paying Agent will make the escrow deposit required under the Escrow Agreement, to provide for the payment and redemption of the Refunded Bonds on the Redemption Date.

Remaining funds in the Settlement Account will be disbursed from time to time by the Paying Agent, pursuant to written instructions from the President or Vice President of the School Board or the Chief Financial and Operations Officer of the School District, to pay issuance costs in connection with the Notes, and any balance ultimately remaining in any such reserve will, upon written instructions of the President or Vice President of the School Board or the Chief Financial and Operations Officer of the School District, be deposited in the Sinking Fund or otherwise applied according to said instructions.

Section 24. The School District covenants and agrees that, concurrently with the issuance of and payment for the Notes the School District will have irrevocably paid to the Paying Agent for the Refunded Bonds, proceeds from the Notes which, together with any interest to be earned thereon, will be sufficient to pay all principal and interest due on the Refunded Bonds, so that the Refunded Bonds will no longer be outstanding under the terms of the Refunded Bonds and the resolutions of the School Board under which the Refunded Bonds were issued and under the terms of the Act.

Section 25. For the purpose of expediting the closing and the issuance and delivery of the Notes, or in the event that the President or the Secretary of the School Board is absent or otherwise unavailable for the purpose of executing documents, or for the purpose of taking any other action which they or either of them may be authorized to take pursuant to this Resolution, the Vice President, Assistant Secretary, or the Treasurer or Assistant Treasurer of the School Board, respectively, or the Chief Financial and Operations Officer of the School District, are authorized and directed to execute documents, or otherwise to act on behalf of the School District in their stead.

Section 26 The proper officers of the School District are authorized and directed to take all such action, execute, deliver, file and/or record all such documents, publish all notices which may be necessary or appropriate to issue the Notes, to authorize the payment from the Settlement Account of issuance costs of the Notes, and otherwise to comply with the provisions of the Resolution or the Act, in the name and on behalf of the School District.

Section 27. The School District covenants that, in accordance with the provisions of Rule 15c2-12 promulgated by The Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934 (the "Rule"), it will provide continuing disclosure for the benefit of the holders of the Notes. Such continuing disclosure will be in conformance with the Rule and will relate to the financial and operating data of the School District and to the occurrence of certain material events as contemplated by the Rule. The officers of the School District are authorized to enter into a Continuing Disclosure Agreement to set forth the School District's obligations under the Rule, and to document the School District's agreement to provide the required disclosure under the Rule.

Section 28. This Resolution is enacted pursuant to, and the Notes issued hereunder will be subject to, the provisions of the Act and all of the mandatory provisions thereof will apply hereunder whether or not explicitly stated herein.

Section 29. This Resolution constitutes a contract with the holders or registered owners of the Notes from time to time outstanding hereunder and will be enforceable in accordance with the provisions of the laws of the Commonwealth of Pennsylvania.

Section 30. In case any one or more of the provisions contained in this Resolution or in any bond issued pursuant hereto will for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability will not affect any other provision of this Resolution or of the Notes, and this Resolution or the Notes will be construed and enforced as if such invalid, illegal or unenforceable provisions had never been contained therein.

Section 31. All resolutions and parts of resolutions heretofore adopted to the extent that the same are inconsistent herewith are repealed.

Section 32. This Resolution will take effect on the earliest date permitted by the Act.

Terms not otherwise defined in this Note Purchase Agreement (the “Agreement”) shall have the same meanings set forth in the Note Resolution (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Notes.* Conditioned upon market availability, usual and customary Underwriter review and approvals, customary note documentation and opinions and the absence of either party terminating this Agreement pursuant to Section 8 herein, and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all of the Issuer’s General Obligation Notes (the “Notes”), authorized for issuance in one or more series, either taxable or tax-exempt, under a resolution adopted by the Issuer on August 19, 2019 (the “Note Resolution”) and more fully described herein. Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer acknowledges and agrees that: (i) the transaction contemplated by this Agreement is an arm’s length, commercial transaction between the Issuer and the Underwriter in which the Underwriter is acting solely as a principal and are not acting as a municipal advisor, financial advisor or fiduciary to the Issuer; (ii) the Underwriter has not assumed any advisory or fiduciary responsibility to the Issuer with respect to the transaction contemplated hereby and the discussions, undertakings and procedures leading thereto (irrespective of whether the Underwriter has provided other services or is currently providing other services to the Issuer on other matters); (iii) the Underwriter is acting solely in its capacity as underwriter for its own account, (iv) the only obligations the Underwriter has to the Issuer with respect to the transaction contemplated hereby expressly are set forth in this Agreement; and (v) the Issuer has consulted its own legal, accounting, tax, financial and other advisors, as applicable, to the extent it has deemed appropriate. The Underwriter has been duly authorized to execute this agreement and to act hereunder.

The maximum aggregate principal amount of the Notes to be issued, the maximum annual principal maturity or mandatory redemption amounts, and the maximum interest rate(s) per annum, are set forth in Schedule I attached hereto. One or more banks or trust companies as selected by the authorized officials of the Issuer pursuant to the Note Resolution (the “Paying Agent”) shall serve as paying agent, sinking fund depository and registrar for the Notes.

The purchase price for any series of notes purchased hereunder, including underwriting discount and net original issue discount or original issue premium, shall be negotiated and set forth in a written addendum to this Agreement executed by both parties at least 15 days prior to date of the Closing (as hereinafter defined), and shall not be less than 95.0% nor more than 125.0% of the aggregate principal amount of Notes to be issued and delivered by the Issuer, plus interest accrued, if any, on the Notes from the dated date of the Notes to the date of such Closing. The initial offering prices and yields, interest rate modes, mode conversion provisions, remarketing provisions, optional and mandatory tender provisions, credit or liquidity provisions, optional and mandatory redemption provisions, sources and uses of funds and any other appropriate terms and conditions applicable to the Notes, not inconsistent with the Note Resolution and any note agreement authorized thereunder, also shall be set forth in an addendum to this Agreement and in all respects shall be acceptable to the Issuer in its sole discretion. The Notes may, however, be issued and delivered by the Issuer from time to time, on such dates and in such aggregate principal amounts as may be authorized by the Issuer and acceptable to the Underwriter, and the Underwriter shall, at the time of issuance and delivery of such Notes, pay the appropriate purchase price set forth above, plus accrued interest, if any, from the dated date of such Notes to the date of delivery of such Notes.

2. *Public Offering.* The Underwriter agrees to make a bona fide public offering of all of the Notes, issued from time to time, at prices not to exceed the public offering price(s) described above, which will be set forth on the cover of an Official Statement to be prepared by or on behalf of the Issuer (the “Official Statement”) in connection with the marketing and issuance of such series of the Notes. The Underwriter may subsequently change such offering price(s) without any requirement of prior notice. The Underwriter may offer and sell Notes to certain dealers (including dealers depositing Notes into investment trusts) and others at prices lower than the public offering price stated on the cover of the Official Statement.

3. *Establishment of Issue Price.* The provisions for the determination of “issue price” under IRS Regulation 1.148-1 (if applicable) shall be contained in a written addendum to this Agreement to be executed not later than the sale date of the Notes. Such addendum shall be in form and substance acceptable to the Underwriter, the Issuer and Note Counsel.

4. *The Preliminary Official Statement and the Official Statement.*

(a) Upon request of the Underwriters, following notification by the Issuer that it intends to issue Notes under the Note Resolution, a Preliminary Official Statement shall be prepared for use by the Underwriter in connection with any public offering, sale or distribution of the Notes. The Preliminary Official Statement shall be deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Notes for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the “Rule”). The Issuer hereby agrees to consent to the use by the Underwriter of the Preliminary Official Statement in connection with a public offering of the Notes.

(b) Not later than seven (7) business days after the Issuer and the Underwriter execute an addendum to this Agreement establishing the final terms applicable to any of the Notes, and in sufficient time to accompany any confirmation that requests payment from any customer, the Issuer shall provide, or cause to be provided, to the Underwriter, an Official Statement satisfying the requirements of the Rule. The Official Statement shall be complete as of the date of its delivery to the Underwriter and shall be made available in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board (“MSRB”). The Issuer agrees to authorize the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of such Notes.

(c) If, after the date of the Official Statement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the “end of the underwriting period” (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from the MSRB but in no case less than 25 days

after the “end of the underwriting period” for the Notes), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, or cause to be prepared and furnished, at the Issuer’s own expense (in a form and manner approved by the Underwriter), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(d) The Underwriter hereby agrees to timely file the Official Statement with the MSRB. Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the “end of the underwriting period” for purposes of the Rule is the date of the Closing.

5. *Representations, Warranties, and Covenants of the Issuer.* The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a school district duly created and organized and existing under laws of the Commonwealth of Pennsylvania (the “Commonwealth”), specifically, the Public School Code of 1949, as amended and supplemented (the “School Code”), and has full legal right and authority under the School Code, the Local Government Unit Debt Act, as amended and supplemented (the “Act”) and the Note Resolution (i) to enter into, execute and deliver this Agreement, the Note Resolution and, if required by applicable law, a Continuing Disclosure Undertaking (the “Undertaking”) as defined in Section 7(h)(4) hereof and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement and any supplement or addendum thereto, the Note Resolution, the Undertaking and the other documents referred to in this clause (i) are hereinafter referred to as the “*Issuer Documents*”), (ii) to sell, issue and deliver the Notes to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, or such later date satisfactory to the Underwriter, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Note Resolution and the issuance and sale of the Notes, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Notes and the Issuer Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement, the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated herein, in the Note Resolution and in the Official Statement;

(c) The Issuer Documents constitute or will constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors’ rights; the Notes, when issued, delivered and paid for in accordance with the Note Resolution and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits

of the Note Resolution and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; and upon the issuance, authentication and delivery of the Notes as aforesaid, the Note Resolution will provide, for the benefit of the holders, from time to time, of the Notes, the legally valid and binding pledge it purports to create as set forth in the Note Resolution;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the Commonwealth or the United States, any applicable judgment or decree, or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party relating to the transaction contemplated by this Agreement or to which the Issuer is or any of its property or assets are otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Notes and the Issuer Documents and the adoption of the Note Resolution and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Notes or under the terms of any such law, regulation or instrument, except as provided in the Notes and the Note Resolution;

(e) All authorizations and approvals of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents and the Notes have been or will be duly obtained;

(f) The Notes shall conform to the descriptions thereof to be set forth in the Official Statement under the caption "Description of the Notes"; the description of the Note Resolution to be contained in the Official Statement under the caption "Introduction" shall conform to the Note Resolution; the proceeds of the sale of the Notes will be applied generally as described in the addendum to this Agreement and in the Official Statement under the caption "PURPOSE OF THE ISSUE"; and, if applicable, the Undertaking shall conform to the description thereof to be contained in the Official Statement under the caption "Continuing Disclosure Undertaking;"

(g) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, (1) affecting the existence of the Issuer or the titles of its officers to their respective offices, (2) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Notes, or the collection of taxes pledged to the payment of principal of and interest on the Notes, pursuant to the Note Resolution, (3) in any way contesting or affecting the validity or enforceability of the Notes or the Issuer Documents, (4) contesting the exclusion from gross income of interest on the Notes for federal income tax purposes under existing laws or the exclusion from gross income of interest on the Notes from Pennsylvania personal income tax and Pennsylvania personal property taxes under the laws of the Commonwealth, (5) contesting in any way the timing or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or (6) contesting the powers of the Issuer or any authority for the issuance of the Notes, the adoption of the Note Resolution or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, if any such action does exist or is threatened, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Notes or the Issuer Documents;

(h) As of its date, the Preliminary Official Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(i) From its date (unless the Official Statement is amended or supplemented pursuant to paragraph (c) of Section 4 of this Agreement), up to and including the date of Closing, the Official Statement shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Notes as provided in and subject to all of the terms and provisions of the Note Resolution and not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes or Commonwealth income tax purposes of the interest on the Notes;

(k) The financial statements of, and other financial information regarding the Issuer, in the Official Statement shall fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer. The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(l) Prior to the Closing the Issuer will not offer or issue any notes, bonds or other obligations for borrowed money payable from or secured by any of the revenues or assets which will secure the Notes without prior notice to the Underwriter; and

(m) Any certificate signed by any official of the Issuer duly authorized to do so in connection with the transactions contemplated by this Agreement shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein;

6. *Closing.*

(a) At such time and date as shall have been mutually agreed upon by the Issuer and the Underwriter (the "*Closing*"), the Issuer will, subject to the terms and conditions hereof, deliver the Notes to the Underwriter via the Book-Entry Only System of The Depository Trust Company, together with the other documents hereinafter mentioned, and the Underwriter will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Notes as set forth in Section 1 of this Agreement by a wire transfer payable in immediately available funds to the order of the Issuer. Payment for the Notes as aforesaid shall be made at the offices of the Paying Agent, or such other place as shall have been mutually agreed upon by the Issuer and the Underwriter. If the Notes are issued and delivered to the Underwriter from time to time as permitted under Section 1 hereof, the mutual delivery of Notes and the other documents, certificates and opinions required by this Agreement to be made on the related Closing Date is herein referred to as a "*Closing*."

(b) The Notes shall be delivered to the Paying Agent in definitive fully registered form, bearing CUSIP numbers without coupons, with one Note for each maturity of the Notes, registered in the name of Cede & Co., all as provided in the Note Resolution. Upon request, copies of the executed Notes shall be made available to the Underwriter at least one business day before the Closing for purposes of inspection.

7. *Closing Conditions.* The Underwriter has entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and

upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter's obligation under this Agreement to purchase, to accept delivery of and to pay for the Notes shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Underwriter:

- (a) The representations and warranties of the Issuer contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing;
- (b) The Issuer shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing;
- (c) At the time of the Closing, (i) the Issuer Documents and the Notes shall be in full force and effect in the form heretofore approved by the Underwriter and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Underwriter; and (ii) all actions of the Issuer required to be taken by the Issuer shall be performed in order for Note Counsel to deliver its opinion referred to hereafter;
- (d) At or prior to the Closing, the Note Resolution shall have been duly adopted by the Issuer and in full force and effect, and the Issuer shall have duly executed and delivered the Notes to the Paying Agent for the Paying Agent's authentication of the Notes;
- (e) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or in the revenues or operations of the Issuer, from that set forth in the Official Statement that in the judgment of the Underwriter, is material and adverse and that makes it, in the judgment of the Underwriter, impracticable to market the Notes on the terms and in the manner contemplated in the Official Statement;
- (f) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;
- (g) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Underwriter; and
- (h) At or prior to the Closing, the Underwriter shall have received copies of each of the following documents:
 - (1) The Official Statement, and each supplement or amendment thereto, if any, executed on behalf of the Issuer by an officer of the Issuer, or such other official as may have been agreed to by the Underwriter, and the reports and audits referred to or appearing in the Official Statement;
 - (2) The Note Resolution and any note agreement authorized thereunder, each with such supplements or amendments as may have been agreed to by the Underwriter;
 - (3) This Agreement, together with all addendums pertaining to the final terms of the Notes, duly executed by the Issuer;
 - (4) The Undertaking of the Issuer which satisfies the requirements of Section (b)(5)(i) of the Rule;

(5) The opinion of Note Counsel with respect to the Notes in the form appended to the Official Statement;

(6) A certificate, dated the date of Closing, of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or proceeding against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Notes or the Issuer Documents, or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, and other income, or the levy or collection of taxes to pay the principal of and interest on the Notes, or the pledge of the full faith, credit and taxing power of the Issuer for payment of the Notes; (iii) the resolutions of the Issuer authorizing the execution, delivery and/or performance of the Official Statement, the Notes and Issuer Documents have been duly adopted by the Issuer, are in full force and effect and have not been modified, amended or repealed, and (iv) to the best of its knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which made, not misleading in any respect as of the time of Closing, and the information contained in the Official Statement (as the same may have been amended or supplemented in accordance with Section 4(c) hereof, if applicable) is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of the Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(7) A certificate of the Issuer in form and substance satisfactory to Note Counsel (a) setting forth the facts, estimates and circumstances in existence on the date of the Closing which establish that it is not expected that the proceeds of the Notes will be used in a manner that would cause the Notes to be “arbitrage notes” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code, and (b) certifying that to the best of the knowledge and belief of the Issuer there are no other facts, estimates or circumstances that would materially change the conclusions, representations and expectations contained in such certificate;

(8) Any other certificates and opinions required by the Note Resolution for the issuance thereunder of the Notes; and

(9) The approving opinion of the Solicitor with respect to the Notes.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Notes contained in this Agreement, or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Notes shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the Issuer shall be under any further obligation hereunder.

8. *Termination.* Either party shall have the right to terminate this Agreement and their obligations hereunder if, between the date of this Agreement and the Closing, the market price or marketability of the Notes shall, in the sole judgement of the terminating party, be materially adversely affected by the occurrence of any of the following:

(a) Legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the Commonwealth or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Notes as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(b) Legislation shall be introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice shall be issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Notes, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act of 1933, or that the Note Resolution is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Notes, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) A general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York or Pennsylvania state officials authorized to do so;

(d) The New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Notes or as to obligations of the general character of the Notes, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(e) Any amendment to the federal Constitution or Constitution of the Commonwealth or action by any federal or Commonwealth court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, the Notes (or interest thereon), or the validity or enforceability of the Note Resolution or the levy of taxes to pay principal of and interest on the Notes;

(f) Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(g) There shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur;

(h) Prior to the date of Closing, the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or

escalation of hostilities or a national or international calamity or crisis, financial or otherwise, which in the reasonable judgement of the Underwriter would have a material adverse affect upon the Underwriter's ability to market the Notes;

(i) Any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to the Official Statement;

(j) There shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service of the Issuer's underlying credit rating or any rating of the Note Insurer, if any;

(k) The purchase of and payment for the Notes by the Underwriter, or the resale of the Notes by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or

(l) Legislation shall be proposed for enactment or be enacted which materially and adversely affects the taxing power of the Issuer or the ability of the Issuer to pledge its full faith, credit and taxing power for the Notes within the limits established by Law.

Notwithstanding the foregoing, the School District shall have the right and privilege to terminate its obligation to sell, issue and deliver the Notes to the Underwriter pursuant to this Agreement for any reason, with or without cause at any time after a period of six (6) months following the initial date of this Agreement and the Note Resolution, but not after the date of the execution of any addendum by the School District *pro tanto* (to the extent of the principal authorized in such addendum). Written notice of the School District's election to terminate this Agreement shall be given to the Underwriter promptly, and thereafter the School District will have no further obligation under this Agreement.

9. *Expenses.*

(a) The Underwriter shall be under no obligation to pay, and the Issuer shall pay all expenses incident to the performance of the Issuer's obligations hereunder, including, but not limited to (i) the cost of preparation and printing of the Notes, Preliminary Official Statement, Official Statement and any amendment or supplement thereto, (ii) the fees and disbursements of Note Counsel, Issuer Counsel, Disclosure Counsel and Special Tax Counsel, if any; (iii) the fees and disbursements of any Paying Agent, Financial Advisor, or engineers, accountants, and other experts, consultants or advisers retained by the Issuer, if any; and (iv) all fees and expenses in connection with obtaining note ratings. The Issuer shall also pay for any expenses (included in the expense component of the Underwriter's discount) incurred by the Underwriter which are incidental to implementing this Note Purchase Agreement and the issuance of the Notes, including, but not limited to, meals, transportation and lodging, if any, and any other miscellaneous closing costs.

(b) The Issuer acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider the fees and expenses being incurred as part of the issuance of the Notes.

10. *Parties in Interest.* This Agreement as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriter (including successors or assigns of the Underwriter). Notwithstanding the foregoing, the Issuer shall have the right, which right is hereby specifically acknowledged by the Underwriter, to direct the Underwriter to assign this Agreement and the Underwriter's interests in this Agreement to such party as the Issuer may direct in writing to the Underwriter. Upon such assignment the Underwriter shall be relieved of any obligations under this Agreement. The Issuer shall be responsible for the reasonable out of pocket expenses of the Underwriter in the event of any directed assignment to another party. This Agreement may be assigned by the Underwriter with the Issuer's prior written consent. All of the Issuer's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of the Underwriter; (ii) delivery of and payment for the Notes pursuant to this Agreement; and (iii) any termination of this Agreement.

11. *Effectiveness.* This Agreement shall become effective upon the acceptance hereof by the Issuer and shall be valid and enforceable at the time of such acceptance.

12. *Choice of Law.* This Agreement and all matters arising out of this Agreement shall be governed by and construed in accordance with the laws of the Commonwealth.

13. *Severability.* If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

14. *Business Day.* For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

15. *Section Headings.* Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

16. *Counterparts.* This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

17. *Note Placement.* The Issuer and Underwriter do hereby agree that, if the Issuer shall so elect, the undertaking described in this Agreement shall be to place the Notes with a commercial bank in the form of a bank note with the Underwriter serving as bank loan agent for the bank note. If this option is exercised by the Issuer, the Underwriter and Issuer shall continue to comply with all of the terms and conditions of this Agreement, excepting those relating specifically and solely to the public issuance and underwriting of the Notes including, but not limited to, the purchase of the Notes by the Underwriter, public sale of the Notes, preparation and dissemination of a Preliminary Official Statement and Official Statement and any continuing disclosure requirement contained herein.

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Underwriter. This Agreement shall become a binding agreement between you and the Underwriter when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

OPINION

We have acted as Bond Counsel in connection with the issuance by Conestoga Valley School District, Lancaster County, Pennsylvania (the "School District"), of \$ _____,000 General Obligation Bonds, Series B of 2019 dated _____, 2019 (the "Bonds").

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The Bonds are issued in accordance and in compliance with the provisions of the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 1996 (53 Pa. Cons. Stat. Chs. 80-82), ("the Act"), without the assent of the electors, and pursuant to a resolution adopted by the Board of School Directors of the School District on February 19, 2019.
2. The Bonds are valid and binding obligations of the School District.
3. The School District has established with the Paying Agent, as Sinking Fund Depository, a sinking fund in which it has covenanted to deposit amounts sufficient to pay the principal of and interest on the Bonds as the same become due and payable and, to the extent required, to apply such amounts to such purposes.
4. The School District has further covenanted that it will, subject to statutory restrictions and limitations, include in its budget for each fiscal year in which the Bonds are outstanding, and will appropriate in each such fiscal year, the amount of the debt service on the Bonds for such year, that it will duly and punctually pay or cause to be paid, the principal of and interest on the Bonds at the dates and place and in the manner stated on the Bonds; and for such budgeting, appropriation and payment, the School District has irrevocably pledged its full faith, credit and taxing power. For purposes of such payments, the School District has covenanted that it will exercise its ad valorem taxing power, within limitations provided by law, upon all taxable property within the School District. The Bonds are additionally secured by the "state aid intercept" provisions of Section 633 of the Public School Code of 1949, as amended by Act 150 of 1975.
5. The Bonds are qualified tax-exempt obligations as defined in Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), and the Bonds meet all of the requirements of, and therefore are, qualified tax-exempt obligations under Section 265(b)(3)(B) of the Code; in the case of certain financial institutions (within the meaning of Section 265(b)(5) of the Code), a deduction is allowed for 80 percent of the portion of such financial institutions' interest expense allocable to interest on the Bonds. The opinions set forth in the preceding sentence are subject to the condition that the School District comply with all requirements of the Code, and any regulations promulgated thereunder, that must be satisfied subsequent to the issuance of the Bonds, in order that the Bonds continue to constitute qualified tax exempt obligations for purposes of Section 265(b)(3) of the Code. Failure to comply with such requirements may cause the Bonds to cease to constitute qualified tax exempt obligations, with the result that the Bonds would have to be taken into account by financial institutions (as defined

in Section 265(b)(5) of the Code) for purposes of determining the allocation of interest expense to tax-exempt interest under Sections 265(b)(1) and (2) of the Code retroactive to the date of issuance of the Bonds.

6. The interest on the Bonds is excluded from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; it should be noted, however, that for the purpose of computing the alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the School District comply with all requirements of the Code, and any regulations promulgated thereunder, that must be satisfied subsequent to the issuance of the Bonds, in order that interest thereon be, or continue to be, excluded from gross income for federal income tax purposes. The School District has covenanted to comply with each such requirement. Failure to comply with certain of such requirements may cause the inclusion of interest on the Bonds in gross income for federal income tax purposes to be retroactive to the date of issuance of the Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

7. Under the laws of the Commonwealth of Pennsylvania as presently enacted and construed, the Bonds and the interest thereon will be free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but this exemption does not extend to gift, estate, succession or inheritance taxes or any other taxes not levied or assessed directly on the Bonds or the interest thereon. Under the laws of the Commonwealth, profits, gains or income derived from the sale, exchange or other disposition of certain government obligations, including the Bonds, may be subject to state and local taxation within the Commonwealth of Pennsylvania.

The rights of the holders of the Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the Bonds.

Very truly yours,

Kegel Kelin Almy & Lord LLP

OPINION

We have acted as Bond Counsel in connection with the issuance by Conestoga Valley School District, Lancaster County, Pennsylvania (the "School District"), of \$ _____ Federally Taxable General Obligation Bonds, Series A of 2019, dated _____ (the "2019A Bonds").

We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon the certified proceedings and other certifications of public officials furnished to us, without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion that, under existing law:

1. The 2019B Bonds are issued in accordance and in compliance with the provisions of the Local Government Unit Debt Act of the Commonwealth of Pennsylvania, as codified by the Act of December 19, 1996 (53 Pa. Cons. Stat. Chs. 80-82), ("the Act"), without the assent of the electors, and pursuant to a resolution adopted by the Board of School Directors of the School District on August 12, 2019.
2. The 2019B Bonds are valid and binding obligations of the School District.
3. The School District has established with the Paying Agent, as Sinking Fund Depository, a sinking fund in which it has covenanted to deposit amounts sufficient to pay the principal of and interest on the 2019B Bonds as the same become due and payable and, to the extent required, to apply such amounts to such purposes.
4. The School District has further covenanted that it will include in its budget for each fiscal year in which the 2019B Bonds are outstanding, and will appropriate in each such fiscal year, the amount of the debt service on the 2019B Bonds for such year, that it will duly and punctually pay or cause to be paid, the principal of and interest on the 2019B Bonds at the dates and place and in the manner stated on the 2019B Bonds; and for such budgeting, appropriation and payment, the School District has irrevocably pledged its full faith, credit and taxing power. For purposes of such payments, the School District has covenanted that it will exercise its ad valorem taxing power, within limitations provided by law, upon all taxable property within the School District. The 2019B Bonds are additionally secured by the "state aid intercept" provisions of Section 633 of the Public School Code of 1949, as amended by Act 150 of 1975.
5. Interest on the Bonds is includible in gross income for federal income tax purposes. The Bonds are not "qualified tax-exempt obligations" within the meaning of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended. In general, interest payable to holders of the Bonds who are not exempt from federal income tax will be treated as ordinary income, in the year paid in the case of cash basis taxpayers, or the year accrued in the case of accrual basis taxpayers. Principal payments on the Bonds other than those attributable to any market discount, will be treated as a return of capital.

6. Under the laws of the Commonwealth of Pennsylvania as presently enacted and construed, the 2019B Bonds and the interest thereon will be free from taxation for state and local purposes within the Commonwealth of Pennsylvania, but this exemption does not extend to gift, estate, succession or inheritance taxes or

any other taxes not levied or assessed directly on the 2019B Bonds or the interest thereon. Under the laws of the Commonwealth, profits, gains or income derived from the sale, exchange or other disposition of certain government obligations, including the 2019B Bonds, may be subject to state and local taxation within the Commonwealth of Pennsylvania.

The rights of the holders of the 2019B Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement relating to the 2019B Bonds.

Very truly yours,

Kegel Kelin Almy & Lord LLP
