

Dear Families of Fourth Graders,

We are so happy to be able to welcome our Fritz students back to school! We are sure you have lots of questions. We hope the following information will begin to answer some of them!

On Tuesday, August 15th from 6:00-7:00 pm there will be an opportunity for you and your child to meet his or her specific fourth grade teacher. This informal 'Back To School Night' will be held at Fritz Elementary in an Open House format. There will not be a formal presentation by the teachers.

For the first week of school, please provide the following supplies for your child:

- pencils
- dry-erase markers
- glue stick

When you meet your teacher on August 15th, they will provide you with a list of additional items specific to their teacher.

Please do not send in anything else that your child might use as a toy (*such as fidget spinners, poppers, slime, etc.*) If obtaining these supplies creates a hardship for your family, please contact any one of the four fourth-grade teachers, and we will do what we can to provide what can't be sent in with your student.

We look forward to meeting you!
